SUMMARY

Final-year B.E. Electrical and Electronics Engineering student (2023–2027, CGPA 8.27/10) with hands-on experience in AWS, Python, full-stack development, and AI/GenAI. Built and deployed real-world applications using AWS, Flask, React, Firebase, MySQL, Docker, and REST APIs. Strong problem-solving and project-development skills across software, IoT, and cloud-based solutions.

PROJECTS

Smart Employee Management System | Personal Project Jan 2026 - Present

- Built a full-stack employee management platform with role-based dashboards for HR, Team Leads, and Employees, including authentication and role-based routing
- Live: <https://sems2026.vercel.app/>

Vectorless RAG Chatbot | Personal Project Feb 2026 - Present

- Developed a document-based Retrieval-Augmented Generation (RAG) chatbot that processes PDFs, builds a hierarchical tree index instead of vector embeddings, and retrieves targeted sections for explainable, source-traceable LLM responses
- GitHub: <https://github.com/PRASANTH-7-SENTHIL/VectorLess-RAG-ChatBot>

AI-Based Emergency Response System | Personal Project Aug 2024 - Sep 2026

- Engineered a wireless accident-detection and emergency-alert system using sensors, LoRa, and Twilio messaging to support faster ambulance response and hospital pre-information.
-

TECHNICAL SKILLS

- Cloud / DevOps:** AWS, EC2, S3, IAM, CloudWatch, VPC, RDS
 - Programming:** Python, JavaScript, HTML, CSS
 - AI / GenAI:** Generative AI, RAG, Vectorless RAG, Hugging Face, LLMs
 - Databases:** Firebase, MySQL
 - Tools:** Git, GitHub, Docker, VS Code, Arduino IDE, ThingSpeak, Twilio, N8N, Cloudinary
 - Other:** Linux, R&D, Leadership, People Management, Communication, Teamwork
-

EDUCATION

Bachelor of Engineering (B.E.) – Electrical and Electronics Engineering Sep 2023 - Aug 2027

Mahendra Engineering College (Autonomous)

- CGPA: 8.27/10

Higher Secondary Certificate (HSC – 12th) Aug 2022 - Aug 2023

Government Higher Secondary School (GHSS)

- Percentage: 62.5%
-

ACHIEVEMENTS

- Best Innovation Award – Sengundar Engineering College Hackathon
- 2× Winner – Paper Presentation
- 2× Winner – Project Expo
- 1× Winner – Ideathon
- 3rd Prize – Photography (Non-Technical Event)
- 4th Prize – Inter-College Cricket Tournament (Captain, ₹4,000 Prize Money)
- Participated in National-Level Hackathons – KPR Institute of Technology & SRM Institute of Science and Technology
- Participated in International Conference – Annapoorana Engineering College
